

# SCOTTISH MOUNTAINEERING CLUB

The following publications are published for the Scottish Mountaineering Club and the Scottish Mountaineering Trust by Scottish Mountaineering Trust (Publications) Ltd. All profits go to the Scottish Mountaineering Trust, a registered charity, which supports a range of initiatives from footpath maintenance to mountaineering education and training.

<b>HILLWALKERS' GUIDES</b>		<b>PRICE</b>	<b>ISBN</b>
<b>The Munros</b> Edited by Donald Bennet & Rab Anderson	<b>2006 Revised Edition.</b> The first, the best selling and the essential guide to Scotland's 284 Munros, the complete list of mountains over 3000 feet (914m), first compiled by Hugh Munro in 1891. Packed full of information on the hills, the routes and the timings. Hardback with 294 colour illustrations and 124 maps. 285pp.	£20.00	0 907521 94 0
<b>The Munros CD-ROM</b> Compiled by Ken Crocket & Donald Bennet	Version 1.1 of the definitive multimedia CD-ROM with all the routes to Scotland's 284 Munros. The foremost photographic collection in existence. Other sections include history, natural history, panoramas, animated route maps, quiz, plus music & wildlife audio clips.	£15.00	0 907521 58 4
<b>The Corbetts and Other Scottish Hills</b> Ed. Rob Milne & Hamish Brown	<b>2002 Edition.</b> The companion guide to The Munros, describing the recommended routes up all 219 Corbetts (Scottish hills between 2500 and 3000 feet in height), plus many other popular 'lesser hills' from the Pentlands and the Campsie Fells to the Outer Hebrides. Includes over 200 colour illustrations and 187 maps. Hardback, 280pp.	£20.00	0 907521 71 1
<b>The Corbetts and Other Scottish Hills CD-ROM</b> Compiled by Ken Crocket & Rob Milne	<b>2002 Edition</b> of Version 1 of the definitive multimedia CD-ROM with all the routes to Scotland's 219 Corbetts, plus many other lesser popular hills from the Berbers to Lewis. The foremost photographic collection in existence. Other sections include history, natural history, panoramas, route maps, quiz, plus music & audio clips.	£30.00	0 907521 72 X
<b>North-West Highlands</b> Dave Broadhead, Alec Keith & Ted Maden	<b>2004 Edition.</b> An essential guidebook to the northern part of Scotland, a vast area from the Great Glen to the North Coast. Comprehensive coverage of the Munros, Corbetts, Grahams and other hills; including Ardnamurchan, Knoydart, Applecross, Torridon, the Fannaichs, Coigach and Assynt. Illustrated in colour with detailed maps and sections on history, fauna, flora, geology and land use. Hardback, 352pp.	£22.00	0 907521 8 19
<b>Central Highlands</b> Peter Hodgkiss	The heartland of the Scottish mountains, bounded by Rannoch Moor, the Great Glen, and Drumochter Pass. Includes Ben Nevis and the Grey Corries, The Mamores, Glen Coe and Ben Cruachan as well as the Laggan, Drumochter and Monadh Liath hills. Colour illustrations, maps, sections on history, fauna, flora, geology & land use. Hardback, 210pp.	£18.00	0 907521 44 4
<b>Islands of Scotland Including Skye</b> Derek Fabian, Graham Little & Noel Williams	Detailed coverage of the hills of Skye and the islands of Scotland, among the finest mountain and seascape scenery in Europe. Illustrated in colour with maps and sections on history, fauna, flora, geology and land use. Hardback, 406pp.	£20.00	0 907521 23 1
<b>The Cairngorms</b> Adam Watson	A comprehensive guide to routes on the Munros, Corbetts, Grahams and other hills in NE Scotland, from its arctic-like high plateaux, to the Moray Firth and North Sea coasts. Written by the acknowledged area expert. Illustrated in colour with maps and sections on history, fauna, flora, geology and land use. Hardback, 262pp.	£18.00	0 907521 39 8
<b>Southern Highlands</b> Donald Bennet	A far-ranging guide to the area readily accessible to most of Scotland's population; from the Central Belt north to the Rannoch Moor, west to Oban, and east to Fife. 45 Munros are included. Fully illustrated in colour with detailed maps and sections on history, fauna, flora, geology and land use. Hardback, 214pp.	£17.00	0 907521 34 7
<b>Southern Uplands</b> Ken Andrew	A guide to the enjoyable hill country from the border with England, north to the central valley between the Forth and Clyde, including the Southern Upland Way. <b>OUT OF PRINT – NEW BOOK IN PROGRESS</b>		0 907521 38 X
<b>Munro's Tables</b> Derek Bearhop	<b>1997 Edition.</b> First published in 1891, this is the official list of Scotland's 284 Munros and those who have climbed them. Includes the lists of Corbetts, Donalds and Grahams, together with 37 colour illustrations and 20 maps. Hardback, 167pp.	£16.00	0 907521 53 3

## SCRAMBLERS' GUIDES

<b>Skye Scrambles</b> Noel Williams	This best-seller includes 167 scrambling & walking routes on the scrambler's paradise that is the Isle of Skye. It also contains the vital information on the Main Ridge Traverse. A pocket guide with colour illustrations and route diagrams. Softback, 274pp.	£15.50	0 907521 55 X
<b>Highland Scrambles North</b> Iain Thow	<b>2006 New Guide.</b> Following in the footsteps of the popular Skye Scramble, this the second in the SMC's Scramblers' Guides series, covers the Islands and mainland Scotland north of the Great Glen. One third of the scrambles have never been documented before. PVC softback cover with page marker ribbon. 75 line art diagrams, 24 colour action pictures & 15 colour maps. 264pp.	£18.00	0 907521 88 6  ISBN-13 978-0-907521-88-4

<b>Scottish Sport Climbs</b> Various authors	<b>Proposed New Guide for 2007.</b> What will surely prove a popular guide to the 800, or so sport climbs throughout Scotland.		978-0-907521-92-1

## OTHER PUBLICATIONS

<b>Hostile Habitats – Scotland's Mountain Environment</b> Edited by Mark Wrightham & Nick Kemp	<b>2006 New Book.</b> Scotland's first guide to mountain fauna, flora and landscape written exclusively for climbers & hillwalkers and published by the Scottish Mountaineering Trust. Compiled by some of the country's leading experts in their fields, this book takes an in-depth look at the upland environment of the climber & hillwalker, with chapters and identification sections on climate, geology, landscape, plants, animals, birds, insects, human influences and conservation. This book has been produced with assistance from Scottish Natural Heritage and is being sold at a subsidised price. Lavishly illustrated throughout in full colour. 256pp	£16.00	0 907521 93 2  ISBN 13 978-0-907521-93-8
<b>Scottish Hill Names</b> Peter Drummond	<b>2007 New Book</b> This book explains the origin and the meaning of the names of Scotland's hills, as well as how to pronounce them. It also brings together many of the legends and stories behind particular hill names. This thoroughly researched, completely revised and expanded second edition builds on the success of its predecessor. The hills of Scotland are a significant part of the landscape and the names of these hills reflect the rich social and cultural history of Scotland over the past 500 years and all who have been there. These names are a legacy of the past and this book opens the door to this fascinating world. Hard backed, 240 pages. 38 pen and ink drawings and reproductions of old maps on 8 colour pages	£15.00	ISBN-13 978-0-907521-95-2
<b>Ben Nevis – Britain's Highest Mountain</b> Ken Crocket	A unique history of a unique mountain, covering not only the mountaineering story, but other, equally interesting aspects such as the summit observatory and early ascents. Includes many historic and rare illustrations. Includes over 100 illustrations, appendices, indexes, glossary and bibliography. Hardback, 320pp.	£15.00	0 907521 16 9
<b>The Munroist's Companion</b> Compiled and edited by Robin N. Campbell	Essential reading for all 'Munro-baggers'. Based on original SMC Journal material with linking commentaries by Robin Campbell. Includes a Variorum Table showing 108 years of changes to Munros Tables. Hardback with 64 mono illustrations and drawings, 328pp.	£16.00	0 907521 50 9
<b>A Chance in a Million?</b> Scottish Avalanches Bob Barton & Blyth Wright	<b>2002 Revised Edition</b> of this fully updated handbook. An indispensable textbook for all who venture into Scotland's winter mountains. Easy to follow guidance for winter climbers and hillwalkers of all abilities. Fully illustrated in colour and mono with tables and diagrams. Softback, 154pp.	£15.00	0 90 752159 2
<b>Ski Mountaineering in Scotland</b> Donald Bennet & Bill Wallace	A guide to ski-mountaineering routes in Scotland. Written by two experts and illustrated with colour photographs and route maps. Hardback with, 112 photographs and 72 maps, 121pp.	£13.00	0 907521207
<b>Scottish Hill Tracks</b> Edited by Donald Bennet & Cliff Stone	<b>2004 Fully Revised Edition.</b> This is the fourth edition of the classic walking guide, first published in 1947. It details 350 hill paths, old roads and rights of way across Scotland's mountains and moorland. Colour illustrations, route descriptions and route maps. Published with the Scottish Rights of Way Society. Softback, 190pp.	£16.00	0 9546735 0 6

## E-BOOKS – Available as downloads from [www.smc.org.uk](http://www.smc.org.uk)

<b>Cairngorms Scene and Unseen</b> Sydney Scroggie	<b>2004 E-book.</b> A remarkable book by a remarkable man. Left blinded and one-legged at the end of World War II, it describes his return to walk and climb in the hills. Published in book form in 1989. 3.7Mb.	£5.00	0 907521 25 8
<b>A Century of Scottish Mountaineering</b> W D Brooker	<b>2005 E-book.</b> An interesting anthology of the Scottish Mountaineering Club Journal 1888-1988, first published in 1988, reprinted in 1993, 372pp. E-book version edited by Rob Milne and Ken Crocket. 17Mb, also available in 5 smaller files.	£10.00	0 907521 85 1

<b>A History of Glenmore Lodge</b> Ian Thomson	<b>2004 New.</b> An appealing book to any who have attended a course at Glenmore Lodge, or who have in interest in the part Scotland's premier outdoor centre has played in outdoor training. 170pp with 53 illustrations. 3.16Mb full book; 1.06Mb text only, 1.75Mb pictures only.	£5.00	0 907521 82 7

Includes 14 articles, colour photographs, New Climbs section and Munro Matters, a section including the latest additions to those who have climbed the Munros. 220pp. Check website for back copies.	£13.95	0 907521 78 9
--	--	--------	---------------

All profit from the sale of SMC climbing and hillwalking guides goes to the Scottish Mountaineering Trust (SMT) and provides much of the Trust's revenue. The Trust is a grant making Charity, which for more than 40 years has been helping people enjoy and appreciate mountains and mountain environments, both in Scotland and throughout the world.

In the past 10 years grants totalling over £600,000 have been made. Some of the major areas which have benefited are; footpath repair & maintenance, land purchase, wildlife studies and mountaineering education & training.

For further information on the SMC's publications and the Scottish Mountaineering Trust see the relevant sections in the SMC's website [www.smc.org.uk](http://www.smc.org.uk) and if you have any queries complete the feedback form available on the Contents page.
